INDEX TO THE FIFTY-SEVENTH VOLUME OF

THE AMERICAN REVIEW OF REVIEWS

JANUARY-JUNE, 1918

Articles on the European War will be found listed under the heading of "War, The," even those dealing more specifically with the internal affairs of the various nations involved. A connected account of the war, and a list of its principal events during the six months covered in this index, will be found in the articles by Frank H. Simonds and in the chronological "Record of Events in the War," both in the section entitled "Military Operations" under "War, The."

Letters in parenthesis signify nature of article, as (C) contributed article; (Ed.) editorial; (L) "leading article" (digested from another source); (il.) illustrated; (port.) portrait; (R) book review.
